HILLSBORO HIGH SCHOOL HISTORY

In the early part of the eighteenth century a very important educational work flourished in what was then the village of Hillsboro. Under the supervision of Reverend Joseph Brown the brick Academy was built and contained one large room with two wings. The name of Hillsboro was abandoned in deference to that of "Academy" so strong was the impress of the school's influence on the minds and hearts of the people. In recent years the old name of Hillsboro has been restored to the town.

M. A. Dunlap of Ponca City, Oklahoma, has contributed some recollections of ante bellum days from his remarkable memory of conversations heard in the home of his Uncle Reverend M. D. Dunlap. He thinks the first teacher ever in Hillsboro Community was a man by the name of Keenan who taught more than a hundred forty years ago. This teacher was considered a very learned man from the fact that he could read and write and had figured in the arithmetic as far as the rule of three.*

With the beginning of public education many people in the Hillsboro Community supported the idea of a local high school. One was started in 1910, through the efforts of interested patrons, the present high school building was erected and used in 1912 by grade and high school students.

The first principal was Mr. Chape Wilson, followed by Miss Minnie Jane Merrill. In the first graduating class of 1913 were Mrs. Bertha Post and Charles Post. The class of 1914 consisted of Mrs. Dakota Hill and Henry W. Beard.

The cornerstone of the Hillsboro Grade School was laid in 1922 and after completion of the building, the high and grade schools were separated. This year the gross enrollment for the grade school is 265 pupils and seven teachers for grades, one to six.

In the years 1938-1939 a new brick gymnasium was built on the ground adjacent to the grade school. During the first basketball game, played between Hillsboro and Green Bank, the new gymnasium was dedicated and named McNeel Gymnasium in honor of Dr. Winters McNeel. Dr. McNeel was the community physician and he served loyally on the school board of education for a number of years.

A Vocational Agriculture Department was established at Hillsboro High School in August, 1949, and a building of a brick structure to house this department started in July, 1950. It is hoped that the building will be completed by September, 1951.

During the summer of 1950 the high school plant was completely remodeled. Such changes as the installing of a new heating system, rewiring the building, enlarging the sewage and laboratory facilities, painting the interior of the building and equiping a movie room have greatly enriched our program and improved our physical plant.

The schools of Hillsboro; rich in the tradition of education, have grown in size of the plant, in the number of young people served, and it is our desire that it may continue to shape the lives of all young people who enter its doors to be useful, happy citizens of our community and country.

In Memory Of

MR. FRANK K. JOHNSTON

It is with extreme pride and pleasure that the students of the graduating class of Hillsboro High School, 1951, wish to humbly dedicate this annual to the memory of one, who, for nearly a quarter of a century, was a true friend and leader among the people in the Hillsboro Community, more especially to his many students who were continuously inspired by his very presence and serenely calmed by his ever encouraging words and wisdom---Mr. Frank K. Johnston, Principal of the Hillsboro High School from 1925 until his untimely death in 1945

Shown is a picture of trees on school campus, which is a direct result of Mr. Johnston's annual student tree-planting [illegible]

Foreword

It is our desire in publishing "The Red Devil" to create a lasting memory of our days spent in Hillsboro High School. This book will be some tangible means by which we may relive in the future the happy days of our high school career.

May this volume, the first yearbook from this school since 1925, be an inspiration to the Seniors of the ensuing years to continue the work we have begun.

We do not publish it as a work of literary perfection, but rather as a crude beginning of something that others who follow will not let die, and will improve upon as the years pass.

If, by publishing a yearbook, we may establish a precedent which will be continued in Hillsboro High School, then we will feel that the many hours we have labored shall have been time well spent.

Farewell

School was out on the twenty-fifth of May.
For the Seniors this was a very sad day;
Just think of the fun we've had in Hillsboro High
In the last four years gone by.

This is the day we said good-bye
To the good old Hillsboro High.
Soon o'er this earth we will scatter far and wide
But always to Hillsboro High our hearts will be tied

Fifty years from this day
We'll think of the twenty-fifth of May
We then will be old and gray
And of Hillsboro High we can say:

"I wish I still were in Hillsboro High
When I think of it, it makes me cry.
I loved my classmates, the faculty too;
For friends like these, we will find few.

Those were the happiest days of our life,
Our life now is a struggle and strife.
In 1951, on that twenty-fifth day of May
Ended our life of being carefree and gay."

When our life's race is almost run
And all our work and fun is done
In the twilight evening our memories will fly
Back to our days in Hillsboro High.

Last Will and Testament

OF THE CLASS OF 1951

Be it remembered that we, the graduating class of 1951 of Hillsboro High School, being of sound mind and body, possessing animus testanity, and realizing that unless we leave behind us the greatest part of our worldly possessions, and super intelligence, H. H. S. will be doomed, hereby make our last will and testament, thereby revoking all former wills by us heretofore made.

After payment of our just debts and funeral charges, including fees not exceeding fifty cents per hour to be paid to the hired mourners, we bequeath and devise as follows:

I, James Kershner, will to Harlen Kinnison a short sleeved shirt so that he can show his muscles.

To Carol Lee Shue, Richard Cutlip wills his red hair to go with her flaring temper.

To Hymon McMillion, Robert Cutlip wills his position on the basketball team.

I, Joan Morrison, do hereby will my shoe shine to Bernice Pyles.

I, Betty Pritt, do hereby will my glasses to anyone who can afford windshield wipers to keep them clean.

To Gary Kershner, Randall Cutlip wills his quietness.

I, Max Gum, will my arguing ability to James Cooper to use in the United Nations Assembly someday.

I, Louvene Dean, do hereby will Dotty Cloonan and Carol Lee Shue my quietness.

To the future chemistry students, Debeorah Landers wills her place in the heart of chemistry.

To Thelma Hill, Maxine Daniels wills her love for the bachelors down at Beard.

To Holly McClain, Jerry Farne wills his height.

I, Ethel Dolan, do hereby will my books to my sister, Mary, in hopes she will use them more than I did.

We, James Clowser and William Hollandsworth, will to Mr. Stump this song: "Don't Sell My Boys Anymore Beer."

I, Ellen Burgess, do hereby will a free airplane ride to Gary Kershner so that he may get as close to Heaven as possible, even if for only a short time.

I, Joan Rose, do hereby will a muffler to Thelma Totten which I received in my Freshman year in hopes that it does her more good than it did me.

To Bernice Pyles, Rose Marie Surbaugh wills her Homecoming Crown.

To Charlotte Kershner, Elva Mae Dalton wills her affinity for one fellow.

I, Faye Hayes, do hereby will my excess fat to Wanda Dever.

The following: Dorothy Hill, Jean Jefferys, and Lakie Anderson do solemnly will our "builds" to the future football players of Hillsboro High School.

Poetic Prophecy

President of our class is Kaye Hoyer.
Interior Decorating is her present career.
She studies hard in all her books,
But spends more time on how she looks.

Our vice-president is Jefferys, Jean
And although on the side not lean,
She has talents and ambitions which will take her far,
To be an artist or singer is her greatest desire.

Next comes the secretary, who is Max Gum.
He has what is known as the operating thumb.
Around our class he is a walking professor.
Loren Paul Anderson will be his successor.

Betty Jo Arbogast is the treasurer of our class,
Smart in her books, and a good-looking lass.
Even though in school she is quite a past,
She makes a good grade on every test.

Lakie Anderson is a brown eyed blonde,
Of ducks and such things she is quite fond.
She leads the school yells in many a game,
But she's good old Lakie just the same.

Joan Rose shares Lakie's fame,
She's one of the cheerleaders at every game.
She takes your stuff, and you wave it good-bye,
If you don't let her have it she'll take it on the sly.

Richard Cutlip is a red-headed boy,
With freckles on his face and the ability to annoy,
To work in agriculture is now his plan,
We all know that he will do the best that he can.

Jerry Farne is our tallest guy,
And around the girls he's not a bit shy,
He plans to be a sailor of sorts,
And have a girl in all the ports.

Jimmy Clowser is known as the "El Poco" kid,
But Droop Mountain beauties always get his bid.
He'll be coaching a team, either girls or boys,
But coaching the girls is what he really enjoys.

Our quietest girl is Louvene Dean,
Who never gets bored by the same routine,
Some nice boy will have a good wife;
She'll make him happy the rest of his life.

Foster Cutlip thinks that he's quite strong,
It's lucky for us that he is wrong,
Nothing is what he wants to be,
That's probably right, just wait and see.

Jimmy Kershner is bashful and shy,
But many a girl over him does sigh,
At all the sports he is a good athlete,
But is it any wonder with such big feet?

Deborah Landers is the class boss,
And for words about boys, she's never at a loss,
In the future it won't be a bit surprising,
If chemistry elements, she is analysing.

Rowena Hill has a winning smile,
That will someday take her down the aisle.
But to fill her time until that day,
She'll be a nurse, and have her way.

Our class flirt is Betty Print,
With all the boys she makes a hit,
Will she go to college, do you suppose?
Don't ask me for no one knows.

Dorothy Lou Hill is no miniature,
And she most certainly never could be called demure,
She's said all her life that she'd be a nurse,
If her patients aren't careful she'll put them in the hearse.

William Hollandsworth chases all the girls,
But especially the ones with plenty of curls,
He'll fight the enemy that we all abhor,
And do his duty to help win the war.

Maxine Daniels is our girl athlete,
She has accomplished many a difficult feat,
She plans to attend a nurse's school,
But anyone who went to her would be a fool.

When our class walks by, Robert Cutlip will be last,
For he never was known to be very fast,
He plans to spend his life on the farm.
Do you reckon that's what adds to his charm?

Elva Mae Dalton says love is not blind,
And I guess you know what's on her mind,
She wants to be a secretary on the bosses knee,
But she probably will be near a Hill, a tending three.

Rose Marie Surbaugh has a ring on her hand,
That's very well known as Raymond Coxey's brand,
She was Homecoming Queen at a Football game
She's the girl whose beauty has brought her fame.

Ethel Dolan is as cute as they come,
And she's usually seen a burning gum,
She plans to operate a typing machine;
But later she'll probably be seen on the screen.

Randall Cutlip is dark and cute,
But around the girls he's usually mute.
He doesn't plan to attend any more schools,
But will make his living using carpenter tools.

Ellen Burgess is not old or staid,
But will likely end up as an old maid.
She has many a different idea or whim,
Maybe that's what keeps her so little and slim.

Senior Class History

We, Seniors of 1951 entered Hillsboro High in September, 1947. Our class sponsor was Mrs. Kay Mann. The class roll was as follows: Lakie Anderson, Betty Arbogast, Faye Hayes, Dorothy Hill, Debeorah Landers, Elva Dalton, Ethel Dolan, Ellen Burgess, Louvene Dean, Maxine Daniels, Naomi Dean, Robert Cutlip, Randall Cutlip, Richard Cutlip, Foster Cutlip, James Clowser, James Kershner, John Fleming, Nixon Jackson, Max Gum, Carl Pritt, Elba Kellison, Essie McMillion, Rose Marie Surbaugh, Jack McCoy, William Hollandsworth, Mary Workman, Eugene Kidd, Joan Rose, Joan Morrison, Jean Jefferys, Virginia Landers, Marie George, Rosalyn Wootten, Edna Rose, Johnnie Kennison, Harry Wiley, Beatrice Allen, Burk Scott, Donna Shue, Betty Pritt, and Anita Simmons.

We elected the following class officers: Jean Jefferys, President; Lakie Anderson, Vice-President; Elva Dalton, Secretary; James Kershner, Treasurer.

After surviving the ordeal of wearing long underwear and short skirts, one man's shoe and one high-heeled shoe, we continued on our way.

During the year the following members dropped out: Carl Pritt who is now serving the Armed Forces in Korea. Naomi Dean, Elba Kellison, Essie McMillion, Eugene Kidd, Virginia Landers, Marie George, Rosalyn Wootten, Harry Wylie, and Burk Scott, leaving us 32 at the close of the term.

In the fall of 1948 we again entered school now numbering only 30 as Edna Rose and Jack McCoy decided they liked the Freshman Class better.

We traveled through that year under the leadership of Mrs. Thelma Weber. Our class officers were: John K. Fleming, President; Max Gum, Vice-President; Richard Cutlip, Secretary; James Clowser, Treasurer.

In the early part of October we initiated the Freshmen with a party. Later that month Joan Rose was elected Homecoming Queen.

During the year we lost one member, Johnnie Kennison, but gained two, Josie Cook from Glen Rogers and Rowena Hill from New Martinsville, thus leaving us 31 at the close of the year.

Then in September, 1949, we, as Jolly Juniors came in with 28 members, as Josie Cook had again moved, John K. Fleming had moved away, and Nixon Jackson had joined the Army, and is now in Germany. Anita Simmons decided to stay in the Sophomore Class but, we had gained one new member, Jerry Farne from Webster Springs. Mrs. Nellie Marquess was our sponsor and as our officers for the year we elected: Max Gum, President; Jerry Farne, Vice-President; Faye Hayes, Secretary; James Clowser, Treasurer.

We gave our Junior Play, "Worrying Willie" in December.

Beatrice Allen quit school at the beginning of the second semester.

In April we entertained the Seniors with a party and as our Junior term was coming to a close we found ourselves planning our annual picnic and saying farewell until the next September.

When we entered as Seniors there were 27 of us. Donna Shue had been married during the summer so she was not back with us. We had gained one new member, Ada Talbert from Richwood but her parents moved again to Richwood so she wasn't with us long. This left us only 26 to carry on, but with the help of our sponsor, Mrs. Virginia Callison and our assistant sponsor, Miss Mary Dolinger we kept striving onward. The Senior Class officers were: Faye Hayes, President; Jean Jefferys, Vice-President; Max Gum, Secretary; Betty Arbogast, Treasurer.

We Seniors decided to publish a yearbook, the first that had been published in Hillsboro High for a number of years and with the help of the faculty and underclassmen, we have succeeded.

In October, Rose Marie Surbaugh was chosen as our Homecoming Queen.

In November we lost another classmate, Mary Workman, who becam Mrs. William Simmons.

This leaves us at the beginning of the second semester with only 25 of our 42 left to carry on the work of the class and to graduate.

A matinee and night performance of the Senior Play, "Aaron Slick From Punkin Crick" will be given on May 4th.

The Seniors plan to tour Washington on May 10-12th. On their tour they intend to visit the following places: Luray Caverns of Luray, Virgin House of Representatives, Smithsonian Institute, Mount Vernon, Arlington Cemetery, and many other historical and natural sites.

The Alumni Dance and Banquet will be May 18th; Baccalaureate, M 20th; Class Night, May ; and Commencement, May 23rd.

PRINCIPAL OF HILLSBORO HIGH SCHOOL

CHARLES MOORE

A.B., M.A.

University of Virginia

To the class of [redacted]

I am particularly fond of your class because twelve years ago you entered the first grade at the same time that I came to Hillsboro as a school principal.

To leave, the French say, is to die a little. However, all things must come to an end. May success and happiness always be yours.

CLASS PROPHECY

One cold evening after dinner I was searching through my library for something to read, when I came upon my old school annual. I sat down in my easy chair and began reading it. It brought back a lot of wonderful memories; and as I reminisced, I fell into a deep slumber.

I dreamed I was in Hillsboro, which had grown quite large. My first stop was the city hall where the mayor, Kenneth Fox, and the town councilmen, Eddie Workman and Robert Birchfield, were in session. As I left the courthouse, I bumped into the Chief-of-Police, who was none other than David Kellison. He sure looked "snazzy" in that uniform. And incidentally, he is a "Mounted Policeman."

Moving up the street I entered Oscar's Restaurant, now being operated by Berry Oscar. Upon being seated, I recognized Edith Farmer at the next table, who was reading a copy of her own newspaper, "Farmer's Daily News." While talking to Edith she informed me that Dale Rudd and Daniel Hollandsworth were playing professional football.

As I was leaving the restaurant I saw two nurses coming down the street. As they drew closer I recognized Velma Morrison and Phyllis Kerns. They were on their way to the bank and persuaded me to join them. Upon entering the bank I saw Austin Morgan who informed me that he was treasurer, Marie Boggs was secretary and Phyllis Carpenter was president. While talking to Phyllis I learned that Linda McMillion was to be married that very afternoon; so I quickly caught a taxi and hurried to the church. Upon entering the church I heard Drusilla Jefferson singing "O Perfect Love." After the ceremony we all went to the bride's home for the reception, where I saw many of my old schoolmates. After extending best wishes to the newlyweds, I decided to take a walk in the park. While resting on a park bench a familiar looking young lady walked by, whom I recognized as Wenona Shue. While talking to her I discovered she had been married several years and had two darling children. I was informed by Wenona that Lucille Gum and Norma Brock were both happily married: Lucille living in Florida and Norma in California. On my way back to the hotel I passed a garage, and discovered it was owned by Calvin Kershner.

Deciding I should visit the school, I ventured over and went into the cafeteria where I found Patsy Cook as Chief Dietician. Patsy told me that Harper Hill was coach and Carol White was now teaching English at Hillsboro High School. After leaving school I went to my hotel for dinner and then to bed.

Next morning I dressed and came down to breakfast. Upon entering the dining room I bought a newspaper. While waiting for my breakfast to be served, I glanced through the newspaper and saw that Evelyn Kellison was secretary to the President. Just then I saw the waitress coming with my breakfast, I felt a sudden chill come over me. I awoke to find that the fire had gone out in the fireplace and that I had been dreaming all along. I felt so very sad and homesick that I decided to go back to Hillsboro and visit all of my old schoolmates.

CLASS HISTORY

Our class started its climb to the top in the fall of 1954, as they entered the halls of Hillsboro High School as Freshmen. To start us out on the right foot, we chose the following officers: President, David Kellison; Vice-President, Edith Farmer; Secretary, Shirley King; and Treasurer, Shirley Pritt. Our sponsor this year was Mrs. Pritchard.

During our initiation, each student dressed to represent a comic strip character, and it was not until after this that we really felt a part of high school.

During this year Carol White was chosen majorette, and Kenneth Fox and Joyce Weatherholt were members of the band. Carol White and Daniel Hollandsworth were crowned May Day King and Queen. Carol White was attendant to the Homecoming Queen.

In the fall of 1955 we entered the sophomore class feeling more a part of high school than ever. We chose for our leaders this year: President, Carol White; Vice-President, Kenneth Fox; Secretary, Shirley King, and Treasurer, Harper Hill. Mrs. Pritchard was our sponsor again this year.

We were glad that it was our turn to initiate the Freshmen. Other honors bestowed upon us this year were; varsity cheerleaders, Carol White and Joyce Weatherholt; Homecoming Queen, Velma Morrison, and band members, Joyce Weatherholt and Kenneth Fox.

We entered our third year at Hillsboro High as "Jolly Juniors". For our officers this year we elected: President, Kenneth Fox; Vice-President, Phyllis Carpenter; Secretary, Shirley King; and Treasurer, Austin Morgan. We welcomed as our new sponsor this year Miss Liggett. We were happy that we could now present a junior play. For our play we chose "Strictly Confidential". Harper Hill and Phyllis Carpenter were chosen to attend "Know Your State Government Day", Harper Hill was also chosen to attend Boys' State. Those juniors taken into the National Honor Society were; Carol White, Edith Farmer, Shirley Pritt, and Shirley King. Carol White and Joyce Weatherholt were chosen again as cheerleaders. The climax of our junior year was the arrival of our long-awaited class rings, which arrived November 12. Another privilege of ours this year was to act as host for the Junior - Senior Banquet and Prom, which for the first time was semi-formal.

We entered the halls of Hillsboro High School in the fall of 1957 for the last time. We chose for our officers this year: President, Phyllis Carpenter; Vice-President, Harper Hill; Secretary, Shirley Pritt; and Treasurer; Austin Morgan. Linda McMillion was attendant to the Homecoming Queen. Harper Hill was football captain, and Carol White and Phyllis Carpenter were chosen varsity cheerleaders.

As this yearbook goes to press, each of us is looking forward to the many pleasures ahead and hoping that all seniors will graduate in May.

The history of secondary education in the community, however, goes back much further than the building described above. In 1834, a separate one-room building with wings called the "Academy" was erected. To this school went many of the children of the people were living around Hillsboro. This building was used until the early "eighties." Then it was deemed inadequate to meet the needs of the school, as many outside students from other counties were coming in. A larger frame building was erected on the corner of the two main streets. The teachers at the Academy were [illegible] persons of the times, and included relatives of Pearl S. Buck.

Hillsboro High School continued to grow after 1912 and outgrew its present facilities. After running the crowded overflow, the Board of Education purchased adjacent land and erected a new graded school building in 1922 consisting of eight large classrooms and a four hundred fifty seat auditorium. The students of the elementary school and the high school were separated with the first eight grades occupying the new grade building. The 8-4 plan continued until 1948. At this time, the seventh and eighth grades were included with the four high school grades on a 6-6 plan, which continues to the present time.

The McNeel gymnasium was erected in 1938 and was dedicated in 1939 during the first basketball game with Hillsboro playing Green Bank. Dr. Winters McNeel, for whom the gymnasium was named, was the community physician and served on the Pocahontas County Board of Education. Mr. Frank Johnson was principal at this time. He served the high school from 1928 to 1945 and was responsible for planting most of the trees and shrubbery which have beautified the grounds.

The Vocational Agriculture program was re-established at the school in 1949. The building to house the department was completed in September, 1951.

The Hillsboro Band was organized in 1953 and has been under the instruction of Mrs. Frances Eskridge since 1955.

Hillsboro High School's library contains approximately 3,500 books geared to meet the student's needs. Records, maps, filmstrips, transparencies, and magazines are available to both instructor and students. The Pearl Buck shelf contains all of her books available, including the latest.

Athletics have always played an important part in the school. Several graduates have won recognition on the college level. Charley Hill set a record with the shot put at West Virginia University. Alex McLaughlin became one of the state's best coaches. Sam Bartholomew played football at the University of Tennessee when they were considered national champion and played in the Rose Bowl in senior year.

The Hillsboro Alumni Association keeps active and accurate records of the graduates. Many of them have had distinguished careers in many lines of endeavor. The annual spring meeting of the association is often attended by as many as 200.

Mr. Charles Moore, Principal of Hillsboro High School from 1951 to the present date, has summarized the endeavor of the school in a recent yearbook in these words:

"When I consider that the graduates of Hillsboro High School will go into the world and possibly attempt to correct some of the evils confronting our modern civilization, it is my earnest hope that the education they have received here will help them to think and to judge carefully, objectively, exhaustively, and reliably."

June 1970 brings to a close fifty-seven years of secondary education at Hillsboro High School. I have been associated with the school for the past twenty-three years, sixteen as principal of the high school. What wonderful experiences these years have held for me! Wonderful because I have had the opportunity to work with hundreds of children and people from all walks of life. I do not know what there is about the farms, hills, and mountains of Little Levels District, but they produce some of the finest children in the world. Working with them has been a privilege for me.

These years have been exciting and sometimes heartbreaking. It is my hope that I have helped to ease an ache or a pain, or have encouraged a teacher, or smiled at a child at the right time, so that no child can say, "He failed me", but rather, "He cared".

I appreciate the cooperation, patience, and understanding that teachers, superintendents, and school board members have had for me, and the self-examinations that parents have caused me to undergo.

One thing I have learned about school administration - place a child in the center of your thinking, sincerely and honestly, and you won't go wrong. You may go overboard occasionally, but never very far nor for very long.

I have no fear of tomorrow, for I believe there is a new light, a new vision, and a renewed emphasis for a better education on all levels of learning in our county. Our teachers are better prepared and certainly more knowledgeable than when I began to teach in 1938. The new consolidated high school will be able to offer a curriculum better geared to the needs of our modern society; therefore, our children from the Hillsboro school community will continue, as they have in the past, to become useful and distinguished citizens of that society.

Hillsboro High School 1925
By Dolly Kenamon Ellington

Where freshly logs fall down the mountain
Where lilac mist hangs on the hills,
Where dew shimmers bright on the meadow
When sunlight bursts and spills,
Our forefathers founded my home town,
And tonight through my memories' eye,
I'm viewing long ago people,
A church with a steeple, and some tested Hillsboro High
Where faculty ruled with parents consent,
As students came, and students went

So across forty summers threshold,
My class mates come creeping tonight.
After forty odd years, I can still hear their cheers,
They look charmingly youthful, and bright
No bald heads among them - no hair that has faded,
No specticles - dentures, nor countenance jaded.
None look too pain-ly, rheumatic or fat,
Sturdy, no grouchy. No, none look like that!
For they look as they then looked,
In the glow of youths dawn, my long ago class mates o

Still dreaming, I glance in the mirror,
How it pays me, that magic I see!
In this spell I'm under, I wonder and wonder
If my classmates could know that I'm me!
Some our diverse destinies have swept us afar,
Still, God bless, and keep them, where ever they are.
Now here's to the new school, and long may she last!
For the old school belongs to the

HILLSBORO ALL AMERICAN MAN

(Taken from "The West Virginia News" Sept. 23, 1939)

The playing of football in Hillsboro dates back to the organizing of the school in 1913-1914. The beginning of inter-scholastic games came a few years later and up until the time of the World War the school entered only a few years of being represented by a football team. During this time the school was represented by such athletes as Glen Cullison, later coach at Shenandoah College. Other players at this time were the Long brothers, Russ and Abe Hufford. Russ Long became selected all-American end while playing with Pennsylvania State and had the privilege of playing in a Rose Bowl game. Many others mentioned have made names for themselves. During the war football was dropped, a number of the athletes have joined the Army.

After the war, football was revived and with the exception of a few years Hillsboro has had a team representing the school. During the years since 1919, many outstanding players have performed with us the Warren boys. Claude was later recognized by the nation as an outstanding player on the U. of L. Scarlet Huricane. Henry Rogers, Alexander and Andrew McLaughlin (Alexander is of New River State College and Andrew is of Shenandoah.) Following us down we have had the Grimes brothers, the Burr brothers, Joe Diener, Frances Hook, Tom Alderman, Bradley, Sanford Kirk, Fred Burr and Paul Smith. This is a partial list of outstanding men that have taken part in the games at Hillsboro. We come down now to the present season where we place hopes that one or two of our present men will surpass any other athletes of the school.

Fred Burr, a member of the class of 1932, won first place in the shot put, discus throw, and the javelin at the sectional track meet at Greenbrier Military School during his senior year. During his junior year he won the hammer throw the last year it was staged in W. Va. high schools. He then participated in two state track meets.

CLASS SONG
"ONE MORE SONG"

No longer in our classes.
They'll gather day by day,
No longer lads and lasses,
They'll walk the self-same way,
Another duty calls them
A wider path awaits
And they must leave these portals,
These dear familiar gates

Chorus
Join in one more song together
Join with all your heart,
Time has cut the classmates tether,
We must drift apart:
Come, a store of mem'ry bringing
From the happy past:
One more song together singing,
One more song, the last.

No more the morning greeting
Of comrades tried and true,
No more the daily meeting
Our problems to renew,
They're stepping out together,
But as they pass the door,
They take to varied path-ways,
They walk as one no more.

Chorus
Yet other earnest faces
Will shine where theirs have shone.
These dear familiar places,
Shall not be left alone:
For year by year undying,
Our Alma Mater true,
Will send her loyal children
The world's new work to do.

Chorus

CLASS HISTORY

Our Freshman class consisted of forty-two members.

Our class motto "A winner never quits, a quitter never wins" was suggested by our home room teacher Mr. William Smith. We retained it through our Senior year and it remains a guide to always remember.

There were [illegible] prevented from being disinvited [illegible] of space- fortunately, for some--regrettably for others.

Seven members of the Greenbrier Valley Conference Championship Football Team were members of our class.

Coach Alex McLaughlin's training rules were: No smoking, no drinking, no sweets or soda pop, bedtime- 10:00 P.M. The team reached top physical condition losing only four games in four years.

During Sophomore and Junior years we were active in setting out trees which make our campus so beautiful.

Entertained [illegible] Miss Elizabeth Clark's [illegible] Rocks, April 21, 1938, and [illegible]

[illegible] were twenty-seven Seniors in the graduating class. This was the largest graduating class to that date, and for several years following.

1912

The history of secondary education in the community, however, goes back much further than the building described above. In 1834, a masonry one-room building with wings called the "Academy" was erected. To this school went many of the children of the people were living in and around Hillsboro. This building was used until the early "eighties." Then it was deemed inadequate to meet the needs of the school, as many outside students from other counties were coming in. A larger frame building was erected on the corner of the two main streets. The teachers at the Academy were [illegible] persons of the times, and included relatives of Pearl S. Buck.

Hillsboro High School continued to grow after 1912 and exceeded beyond expectations. After outgrowing the crowded quarters, the Board of Education purchased adjacent land and erected a new graded school building in 1922 consisting of eight large classrooms and a four hundred fifty seat auditorium. The students of the elementary school and the high school were separated with the first eight grades occupying the new grade building. The 8-4 plan continued until 1948. At this time, the seventh and eighth grades were included with the four high school grades on a 6-6 plan, which continues to the present time.

The McNeel gymnasium was erected in 1938 and was dedicated in 1939 during the first basketball game with Hillsboro playing Green Bank. Dr. Winters McNeel, for whom the gymnasium was named, was the community physician and served on the Pocahontas County Board of Education. Mr. Frank Johnson was principal at this time. He served the high school from 1924 to 1945 and was responsible for planting most of the trees and shrubbery which have beautified the grounds.

The Vocational Agriculture program was re-established at the school in 1949. The building to house the department was completed in September, 1951.

The Hillsboro Band was organized in 1953 and has been under the instruction of Mrs. Frances Eskridge since 1955.

Hillsboro High School's library contains approximately 3,500 books geared to meet the student's needs. Records, maps, filmstrips, transparencies, and magazines are available to both instructor and students. The Pearl Buck shelf contains all of her books available, including the latest.

Athletics have always played an important part in the school. Several graduates have been recognized on the college level. Charley Hill set a record with the shot put at West Virginia University. Alex McLaughlin became one of the state's best coaches. Sam Scyphers played football at the University of Tennessee when they were considered national champion and played in the Rose Bowl in senior year.

The Hillsboro Alumni Association keeps active and accurate records of the graduates. Many of them have had distinguished careers in many lines of endeavor. The annual spring meeting of the association is often attended by as many as 200.

Mr. Charles Moore, Principal of Hillsboro High School from 1951 to the present date, has summarized the endeavor of the school in a recent yearbook in these words:

"When I consider that the graduates of Hillsboro High School will go into the world and possibly attempt to correct some of the evils confronting our modern civilization, it is my earnest hope that the education they have received here will help them to think and to judge carefully, objectively, exhaustively, and reliably."

June 1970 brings to a close fifty-seven years of secondary education at Hillsboro High School. I have been associated with the school for the past twenty-three years, sixteen as principal of the high school. What wonderful experiences these years have held for me! Wonderful because I have had the opportunity to work with hundreds of children and people from all walks of life. I do not know what there is about the farms, hills, and mountains of Little Levels Dunsar, but they produce some of the finest children in the world. Working with them has been a privilege for me.

These years have been exciting and sometimes heartbreaking. It is my hope that I have helped to ease an ache or a pain, or have encouraged a teacher, or smiled at a child at the right time, so that no child can say, "He failed me", but rather, "He cared".

I appreciate the cooperation, patience, and understanding that teachers, superintendents, and school board members have had for me, and the self-examinations that parents have caused me to undergo.

One thing I have learned about school administration - place a child in the center of your thinking, sincerely and honestly, and you won't go wrong. You may go overboard occasionally, but never very far nor for very long.

I have no fear of tomorrow, for I believe there is a new spirit, a new vision, and a renewed emphasis for a better education on all levels of learning in our county. Our teachers are better prepared and certainly more knowledgeable than when I began to teach in 1938. The new consolidated high school will be able to offer a curriculum better geared to the needs of our modern society; therefore, our children from the Hillsboro school community will continue, as they have in the past, to become useful and distinguished citizens of that society.

Where freshly logs fall down the mountain
Where lilac mist hangs on the hills,
Where dew shimmers bright on the meadow
When sunlight bursts and spills,
Our forefathers founded my home town,
And tonight through my memories' eye,
I'm viewing long ago people,
A church with a steeple, and some tested Hillsboro High
Where faculty ruled with parents consent,
As students came, and students went

So across misty memories threshold,
My class mates come trooping tonight.
After forty odd years, I can still hear their cheers,
They look charmingly youthful, and bright
No bald heads among them - no hair that has faded,
No spectacles - dentures, nor countenance jaded.
None look too pure by, rheumatic or fat,
Slouchy, or grouchy. No, none look like that!
For they look as they then looked,
In the glow of youths dawn, my long ago class mates o

Still dreaming, I glance in the mirror,
How it pays me, that image I see!
In this spell I'm under, I wonder and wonder
If my classmates could know that I'm me!
Since our diverse destinies have swept us afar,
Still, God bless, and keep them, where ever they are.
Now here's to the new school, and long may she last!

HILLSBORO ALL AMERICAN MAN

(Taken from "The West Virginia News" Sept. 23, 1939)

The playing of football at Hillsboro dates back to the beginning of the school in 1913-1914. The beginning of inter-scholastic games came a few years later and up until the time of the World War the school entered only a few years of being represented by a football team. During this time the school was represented by such athletes as Glen Cathcart, late coach at Shenandoah College. Other players at this time were the Craig brothers, Ray and Abe Hufford. Russ Letz became a second all-American end while playing with Pennsylvania State and had the privilege of playing in a Rose Bowl game. Many others mentioned have made names for themselves. During the war football was dropped, a number of the athletes have joined the Army.

After the war, football was revived and with the exception of a few years Hillsboro has had a team representing the school. During the years since 1919, many outstanding players have performed with us the Warren boys. Claude was later recognized by the nation as an outstanding player on the U. of L. Scarlet Huricane. Henry Rogers, Alexander and Andrew McLaughlin (Alexander is of New River State College and Andrew is of Shenandoah.) Following us down we have had the Grimes brothers, the Burr brothers, Joe Diener, Frances Hook, Tom Alderman, Bradley, Sanford Kirk, Fred Burr and Paul Smith. This is a partial list of outstanding men that have taken part in the games at Hillsboro. We come down now to the present season where we place hopes that one or two of our present men will surpass any other athletes of the school.

Fred Burr, a member of the class of 1932, won first place in the shot put, discus throw, and the javelin at the recently track meet at Greenbrier Military School during his senior year. During his junior year he won the hammer throw the last year it was staged in W. Va. high schools. He then participated in two state track meets.

CLASS SONG
"ONE MORE SONG"

No longer in our classes.
They'll gather day by day,
No longer kids and lassies,
They'll walk the self-same way,
Another duty calls them
A wider path awaits
And they must leave these portals,
These dear familiar gates
Chorus
Join in one more song together
Join with all your heart,
Time has cut the classmates tether,
We must drift apart:
Come, a store of mem'ry bringing
From the happy past:
One more song together singing,
One more song, the last.
No more the morning greeting
Of comrades tried and true,
No more the daily meeting
Our problems to renew,
They're stepping out together,
But as they pass the door,
They take to varied path-ways,
They walk as one no more.
Chorus
Yet other earnest faces
Will shine where theirs have shone.
These dear familiar places,
Shall not be left alone:
For year by year undying,
Our Alma Mater true,
Will send her loyal children
The world's new work to do.
Chorus

CLASS HISTORY

Our freshman class consisted of forty-two members.

Our class motto "A winner never quits, a quitter never wins" was suggested by our home room teacher Mr. William Smith. We retained it through our Senior year and it seems a good [illegible] always remember.

There were [illegible] prevented from being disinvited [illegible] of space- fortunately, for some--regrettably for others.

Seven members of the Greenbrier Valley Conference Championship Football Team were members of our class.

Coach Alex McLaughlin's training rules were: No smoking, no drinking, no sweets or soda pop, bedtime- 10:00 P.M. The team reached top physical condition losing only four games in [illegible] years.

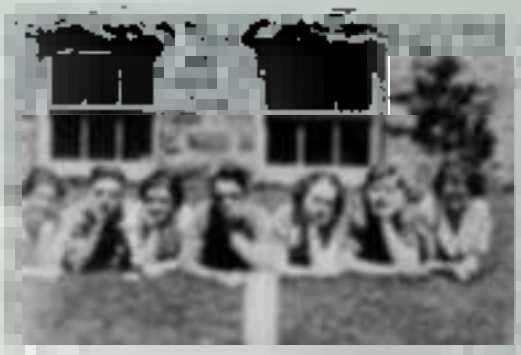

During Sophomore and Junior years we were active in saving our trees which make our campus so beautiful.
